Steps to install Roboto font

1. Click on this link to open Roboto Google fonts.
2. Click on **select this font**.
3. You would see "One font family selected", maximize the window.
4. Copy the link: <link href="https://fonts.googleapis.com/css?family=Roboto" rel="stylesheet"> and include it in your head section.
5. Include : font-family: 'Roboto', sans-serif; in your CSS style statements

Color and Font CSS Properties:

1. To change the color of the text use color CSS property :

    1. Internal Styling: selector {color: red}
    2. Inline styling: <tag style="color:red;">

2. To change the font size we use font-size property:

    1. Internal Styling: selector {font-size: font size in px;}, {font-size: 18px;}
    2. Inline styling: <tag style="font-size: font-size in px;"> , <style="font-size: 18 px;">
